

## PRELIMINARY PROOFING DRAFT -- c. JH 9/2013

### "CRIME SPREES ARE NOT 'CUTE,' VIRGINIANS"

#### (NOR ARE THEY 'BEAUTIFUL' OR 'IGNORABLE')

[extensively-documented, never-prosecuted or otherwise-rectified crimes against the person and property of Jeannette Harris [Gerlach], an American-born USA citizen of responsibly high repute historically, through 2013 A.D.)

It wouldn't seem that the One True God is on the side of the Virginian Crime Spree:

*"ACR, Inc.'s website has been honored notably as one of the best in the world, and the one best representative of Appalachia, by historically prestigious Encyclopdia Britannica (and is the only one remaining created and developed originally by a woman, American or otherwise) and by numerous other national sources of high repute. Initially a home-based commercial advertising/consulting-supported small business, it is now one of the twenty percent of national non-profit organizations operationally owned by women.--jH,7/13.
